The registrants whose identities have been verified by the Agent appointed by the Vendor shall proceed to balloting. A higher priority in choosing specified residential properties will be given to registrants whose number of specified residential properties as indicated in the corresponding registration of intent is higher. The order of submissions of Registration of Intent will not have any impact on the order of priority for selecting the specified residential properties. Before entering into the Preliminary Agreement of Sale and Purchase in respect of any specified residential property, the registrant may request the Agent appointed by the Vendor on spot to add the immediate family member(s) as joint purchaser(s) provided that the registrant must provide the relevant supporting documents to the satisfaction of the Agent appointed by the Vendor to</p>	

prove the relationship(s). Registrants who arrive at THE PAVILIA HILL Sales Office at any time later than 11 a.m. on 23 November 2014 shall not be eligible for the balloting.

Individual registrant(s) shall be entitled to maximum of 2 balloting rights and company registrant(s) shall be entitled to only 1 balloting right. A higher priority will be given to the balloting right of which the number of residential properties intended to be purchased as indicated in the corresponding Registration of Intent is higher (the maximum number of residential properties intended to be purchased as indicated is two and the minimum is one). If the Registration of Intent indicating the same numbers of residential properties to be purchased are more than one, the priority among the corresponding balloting rights will be determined by balloting. The registrant must purchase the number of specified residential properties intended to be purchased as indicated in the corresponding Registration of Intent, and if that registrant is not able to make such a purchase, that registrant shall not be eligible to select and purchase any of the specified residential properties in the order of priority according to the ballot results.
3. The balloting will take place at 11 a.m. on 23 November 2014 at THE PAVILIA HILL Sales Office and the balloting will be effected via a computer network.

6. Company registrant(s) can submit maximum 1 Registration of Intent and each registration will be entitled to purchase only 1 specified residential property. More than one registration from the same company will not be accepted.

Please note that the completion of the confirmation and verification of a registrant's identity, any order of priority in respect of the selection of specified residential properties, or the Agent appointed by the Vendor's admittance of any person to the waiting queue does not guarantee that registrant / person will be able to purchase any residential property.

In case of any dispute, the Vendor reserves its absolute right to allocate any specified residential properties to any interested person.
