REASONS FOR AND BENEFITS OF THE ACQUISITIONS

As at the date of this announcement, the Target Company wholly owns the concession right to operate the Expressway.

The reasons for and benefits of the Acquisitions are as follows:

1. The Acquisitions align with the investment strategy of the NWS Group

The Acquisitions align with the investment strategy of the NWS Group and are expected to further strengthen the roads business as one of NWS Group's core businesses. It will further enhance NWS Group's footprint in the PRC in terms of infrastructure investment.

Stable cash flow and recurring income generated from roads portfolio shall help the NWS Group defend against external complexities and the global low yield environment.

2. The completion of the Acquisitions can bring immediate financial contribution to the NWS Group

It is expected that the Expressway will bring about immediate contribution to the cash flow and financial performance of the NWS Group upon completion of the Acquisitions, thus benefitting the overall performance of the roads business of the NWS Group.

3. The Expressway is a quality asset with long remaining concession period

The Expressway has a long remaining concession period of approximately 23 years, which is expected to increase the average remaining concession period of the roads portfolio of NWS Group upon completion of the Acquisitions. This will in turn support the sustainable long term growth and the progressive dividend policy of the NWS Group.

4. The Expressway is located at a strategic location with strong growth potential

The Expressway is located in Guangxi, which functions as a transportation hub for southwestern China and connects Guangdong, Yunnan, Guizhou, Beibu Bay and the ASEAN markets. It is expected that the higher potential for regional GDP and car ownership growth of Guangxi will act as a solid foundation for the future operational performance of the Expressway.

The Expressway is also expected to benefit from a number of favourable national policy initiatives, including but not limited to, the ASEAN Economic Ring* (東盟經濟圈), Beibu Bay Economic Zone* (北部灣經濟區), the One Belt One Road Initiative and Greater Bay Area Initiative.

The NWD Board and the NWS Board consider that the terms of the Sale and Purchase Agreement are on normal commercial terms and are fair, reasonable and in the interests of NWD, NWS and their respective shareholders as a whole.
