“Carbon Neutrality” Partnership with the Environment Bureau of HKSAR

To support HKSAR’s commitment to carbon neutrality by 2050, NWD pledged to support the “Carbon Neutrality” Partnership launched by the Environment Bureau in late October 2021. Further to our SV2030 emissions reduction and renewable energy adoption targets up to 2030/2031, we are exploring solutions to play a part in the global transition to a low carbon future, with ambitions to meet net zero carbon by 2050.

Achieved GRESB Highest Five-star Rating for Three Consecutive Years

NWD has once again been recognised by the 2021 Global Real Estate Sustainability Benchmark (GRESB) ratings. NWD has achieved the highest five-star rating consecutively since 2019. In 2021, NWD also ranked 1st in Public Disclosure Score among all Hong Kong diversified companies and Management Score among all Asia companies.
